

## RISA Webinar Q&A

### Learning to use RISAFoundation

Date: Wednesday, Aug. 28, 2013

**Q:** How are response spectra results handled

**A:** RISAFoundation is a static solution so we are not looking dynamic analysis of the foundation elements.

---

**Q:** Is it also possible to design friction piles in RISAFoundation?

**A:** You can add pile capacities to any slab but RISAFoundation is not designing the piles themselves.
